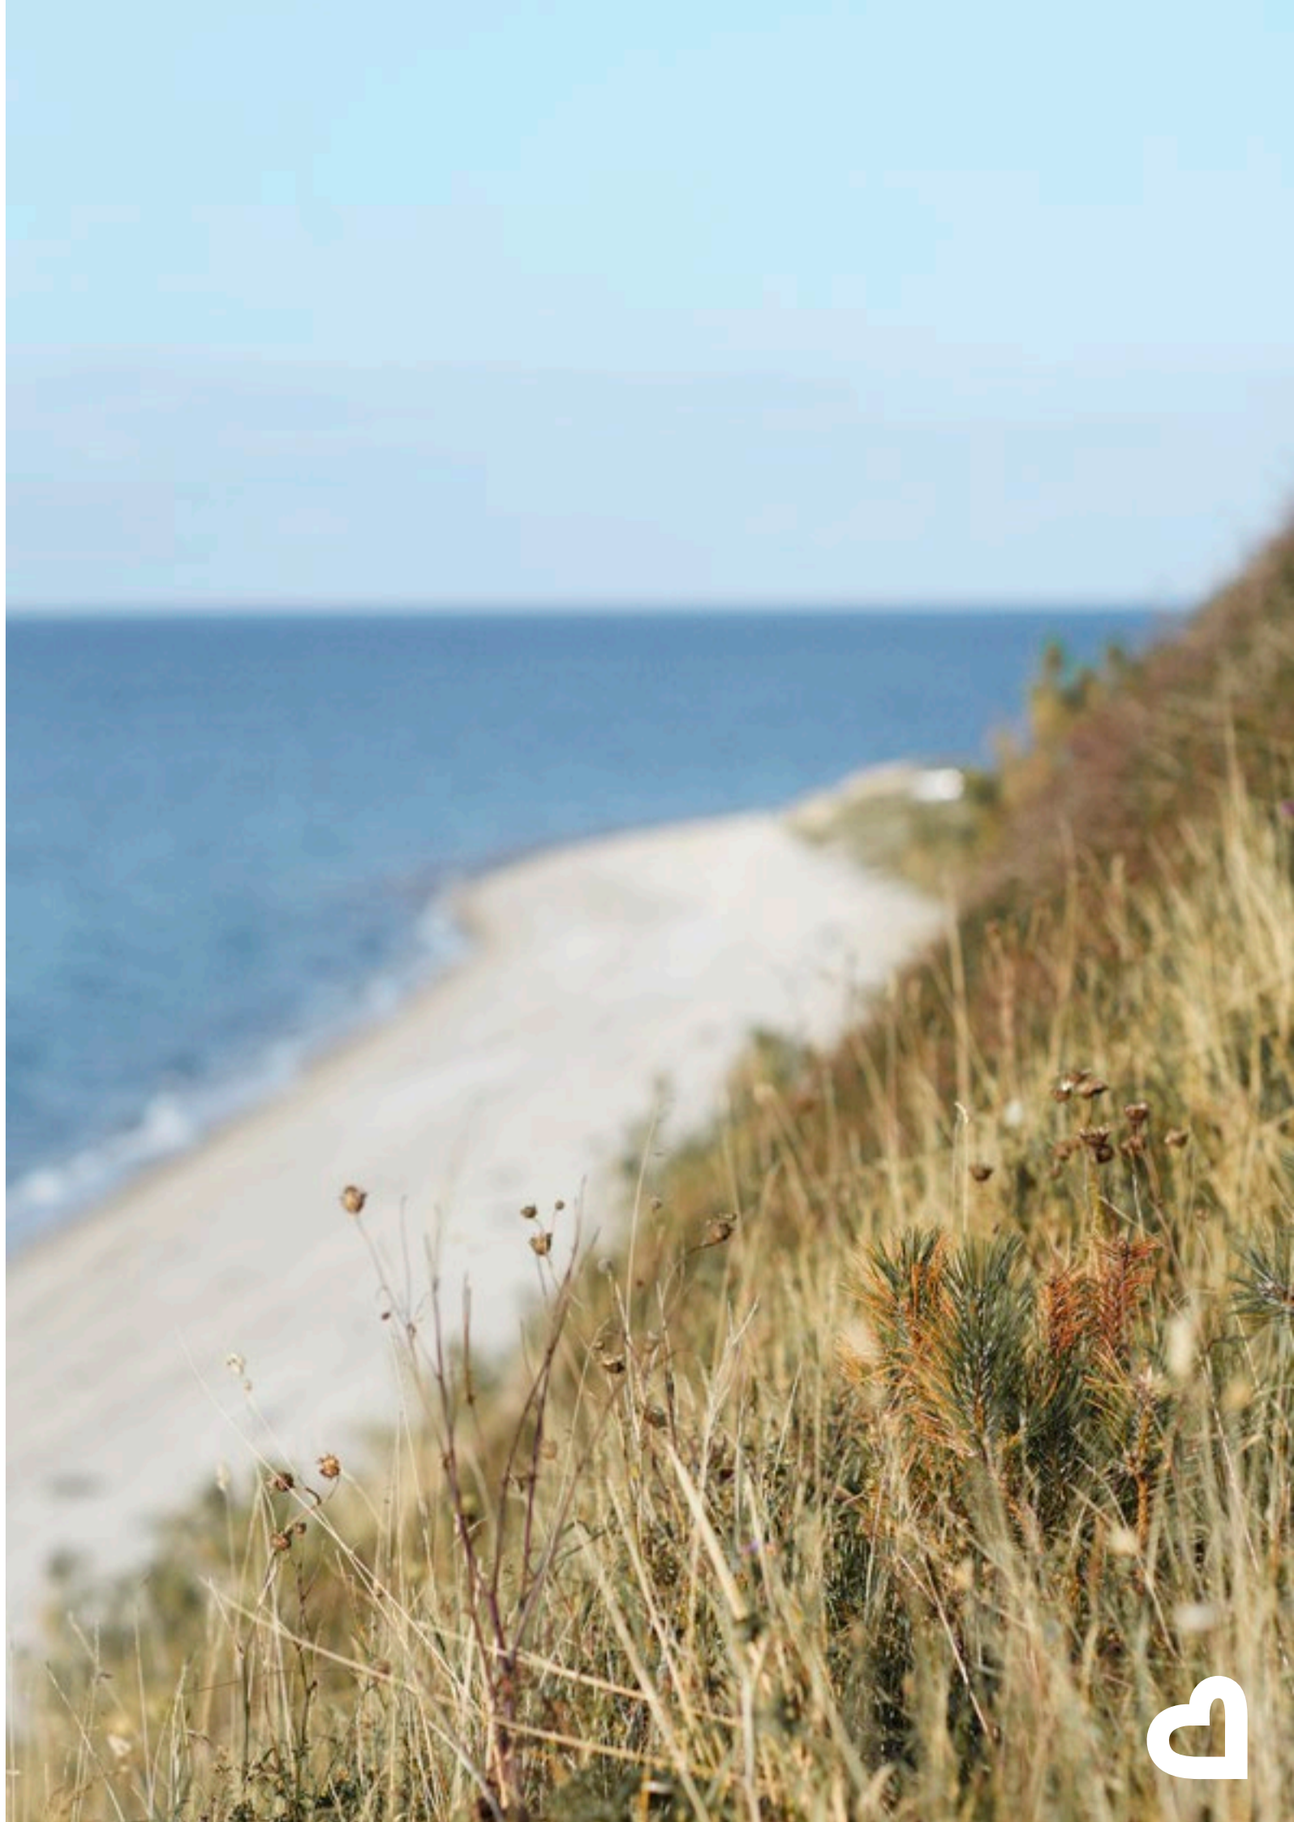
WELCOME

Welcome to the world of Neutral®. It's a place where we believe it's okay to make certified clothing. There are so many good stories to share and we try to do just that throughout this catalogue. Being sustainable is okay. Certified okay!

NEUTRAL® 2020

This year, we give waste a second chance to become your new favourite T-shirt. Made from 100% recycled post-consumer polyester, we are very pleased to introduce our new and colourful Performance T-shirts! We now also have organic Fairtrade aprons with added 20% recycled polyester for even higher durability. A new High Neck Jacket in our Sweat range. And lastly, 5 brand new colours. We hope you like them. Enjoy!



CERTIFIED RESPONSIBILITY™

Making sustainable clothing can be tricky. But with certificates, it doesn't have to be. They guide us through the supply chain, from cotton field to final product, telling us what's okay. That's why our certificates are more than just funky looking stamps. They are your guarantee that Neutral® products are made according to the highest standards in the world.

CERTIFIED RESPONSIBILITY™

GOTS

Neutral® products are made from 100% organic cotton certified by GOTS. It's biological fertilizers and earthworms instead of chemicals, cleaner rivers and groundwater, enriched biodiversity and toxic free handpicking by the farmers.

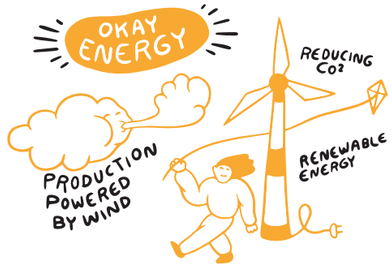
NEUTRAL® RESPONSIBILITY

Instead of using conventional energy Neutral® products are manufactured using renewable energy. That way, Neutral® Responsibility helps reduce CO2 and is beneficial for both local environment and global climate.



FAIRTRADE

Fairtrade isn't charity. It's an okay way to trade. Farmers growing Neutral® cotton receive a fair price for their crops. With the Fairtrade minimum price and Fairtrade Premium, they can invest in better tools or send their kids to school.

SA8000

Factory workers are hardworking people. It's okay when they have good, safe working conditions. By using SA8000, the highest international labour standard, we know that's the case.

EU ECOLABEL

We treat and reuse wastewater and reduce and recycle waste. We only use the most environmentally friendly dyes and continuously innovate the way we make clothing. All according to the highest industry requirements demanded by the EU Ecolabel.

OKAY FACT #1
FROM WASTE TO WORDS

When processing cotton, you have some leftover material not fit for production. Instead of throwing that out, it's turned into beautiful Neutral® hangtags certified by the Global Recycled Standard. Optimized resource usage and a powerful message in a hangtag. Isn't that okay?

OKAY FACT #2
MORE SUGAR PLEASE

Instead of spraying with toxic chemicals, Neutral® cotton farmers use biological pesticides like sugar water. Ants love sugar and now have a new best friend and food supply in the cotton plant, which they'll defend from intruders like beetles and pest attacks. Okay ants. Okay crop protection!

OKAY FACT #9
SHARE WHAT YOU WEAR

The clothing industry is the most polluting in the world after oil. Fortunately, we have the solutions to do better. One T-shirt at a time, we can push for industry change and share the beauty of sustainability and all its inspirational stories!

Every year, World's Best News – a campaign created by the UN, Danida, the private sector and civil society – hosts a pop-up event where they share positive stories on global development with Danish citizens. For that, they use Neutral® T-shirts and bags to emphasize their message.

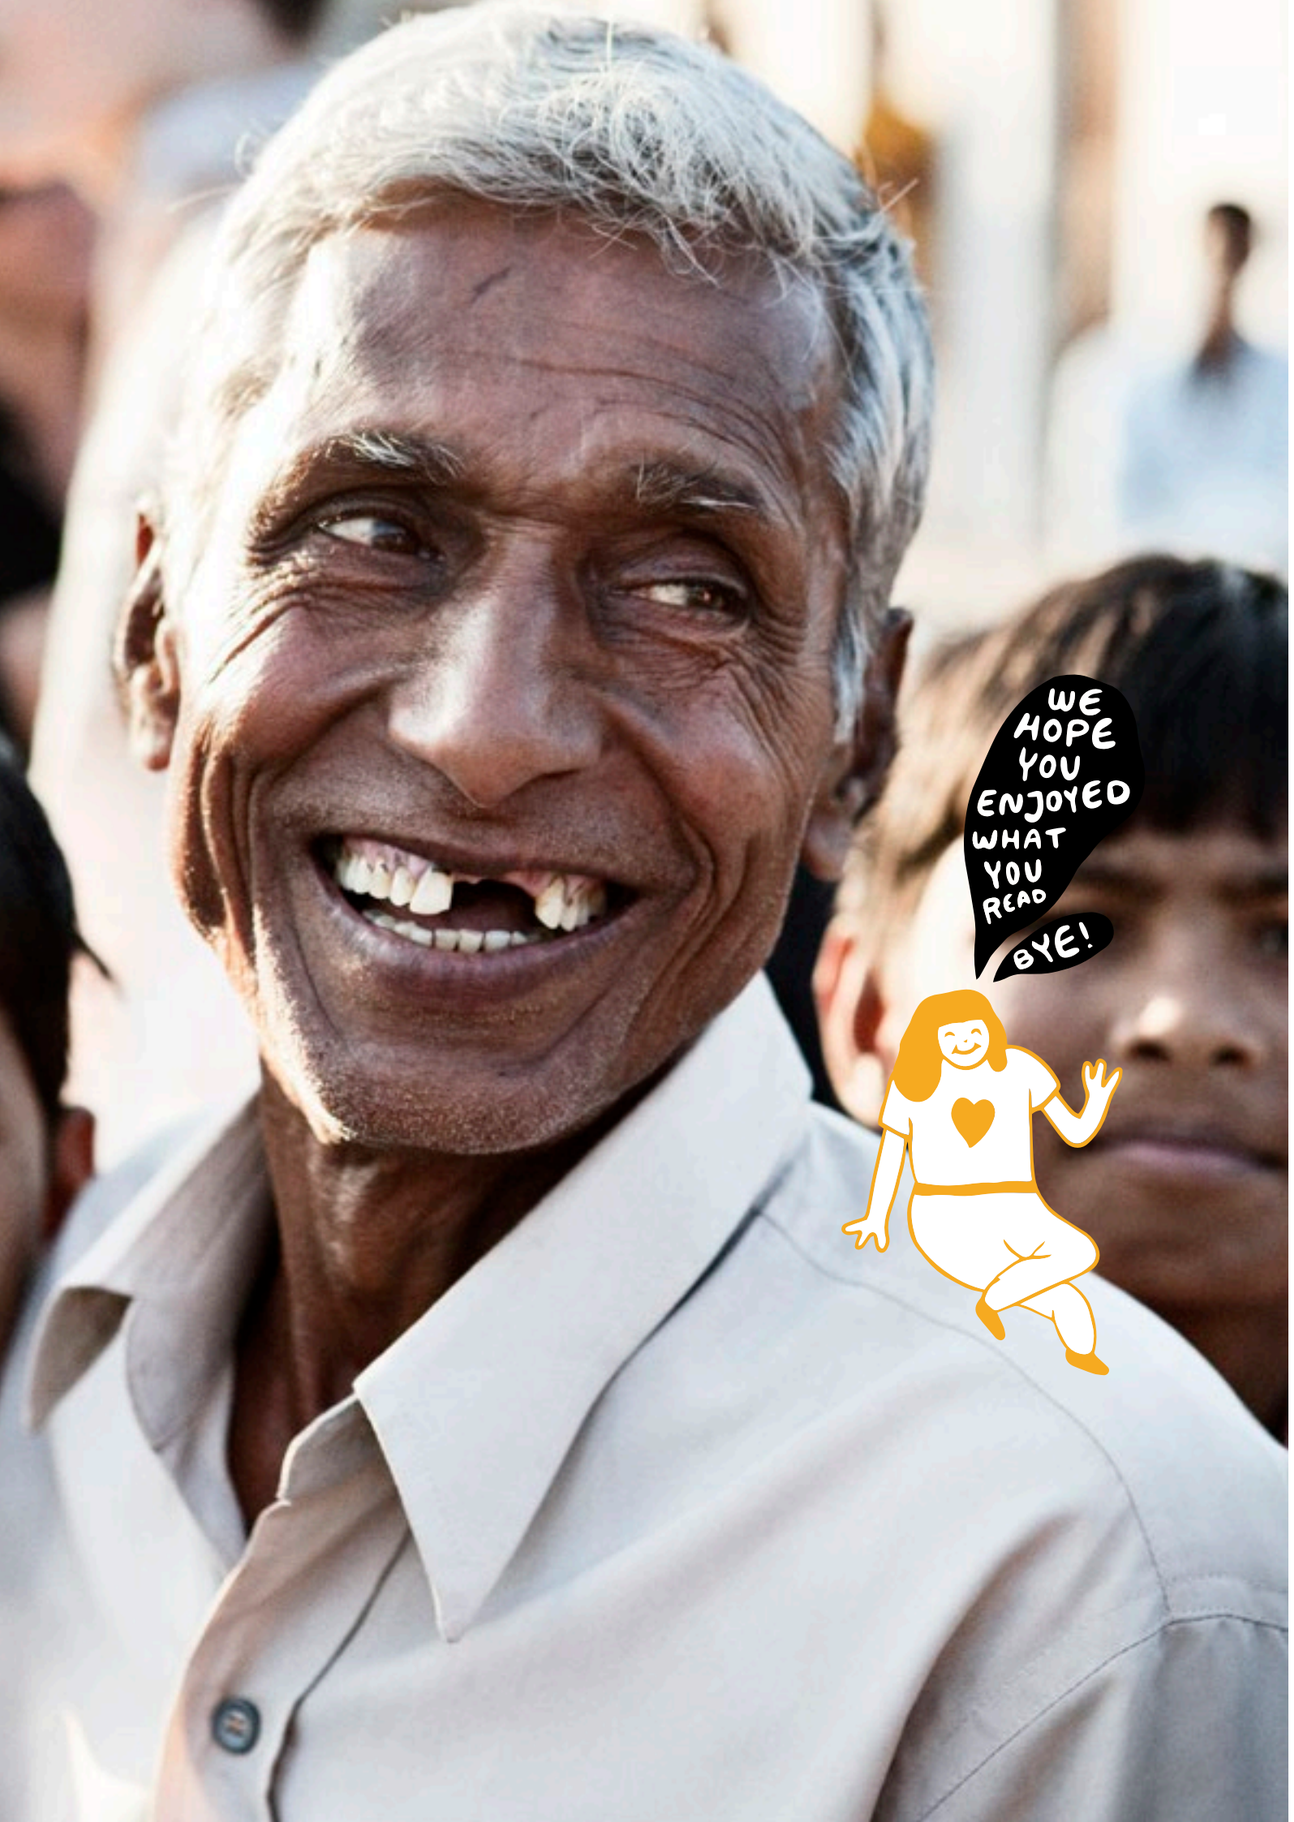
SUSTAINABLE STORYTELLING

Neutral® is more than clothing. It's a communication platform for you to inspire people and business to act okay. You can add a personalized message or simply show your commitment to sustainability through our Certified Responsibility™ labeling and hangtags. Either way, with Neutral® you can share your stories with great impact on a T-shirt you need anyway.

CUSTOMIZED PRODUCTIONS

If you need apparel with a special design or company branding, why not make your own Neutral® production? From style and fabric to labeling and packaging, we can help you get any clothing you want as long as it can be made according to the high standards of Certified Responsibility™.



WE BELIEVE IN BEING OKAY

With 100% commitment to certified clothing, we can improve our planet, make workers healthier, and give farmers hope. That’s okay!
